ASI Attends NCBR's Bixpo 2009

ASI attended the Northern Colorado Business Report's Bixpo Event, held September 17 at the Embassy Suites Convention Center in Loveland, Colo. The event featured activities including Fittest Execs, 40 Under Forty a Business After Hours networking event.

Account Manager Chris Devault attended the event. "With a new location this year, and being a single-day event, I noticed attendance was up. It was good to seem familiar faces as well as new vendors."

ASI has attended Bixpo every year since its inception and plans to attend the 2010 Bixpo next September.

Accounting Systems, Inc. is a value added reseller of business management software and offers products such as Sage MAS 500, Sage MAS 90/200, Sage CRM, Sage Saleslogix, SYSPRO and Deltek Vision.
